## About the Institute:

Dr. Lankapalli Bullayya College of Engineering encourages and promotes education and keeps its focus on empowerment and personality development with which they can face the challenges of the modern world. The broad objective of the institution is to provide the right opportunities for students for learning higher skills in new technologies and building their extraordinary careers in industry and research organizations. Acclaimed by the student community as an outstanding woman engineering college in the smart city Visakhapatnam, Andhra Pradesh, Dr. Lankapalli Bullayya College of Engineering (for women), was established by The Society for Collegiate Education in 2010 with the objective to produce technologists and scientists who would engage in research, design, and development to help to build the nation. Our Campus is ideally located in the heart of the city on a 10-acre land. The curriculum places emphasis on basic topics in engineering sciences, design and experimental methods. The College's faculty and staff strive hard with their limitless potential and technical expertise to create ingenious Engineers.

## Theme of the Program

The Game Development Camp held recently was a vibrant platform that catered to the creativity and aspirations of high school students. The aim was to provide them with a comprehensive understanding of game development and interactive entertainment, diving into exciting domains such as interactive animation and game design. The camp meticulously blended education and enjoyment, fostering an environment where participants could learn and have fun simultaneously. Engaging workshops, hands-on activities, and mini-projects were the highlights, allowing students to hone their skills and create captivating mini-projects. These activities were designed to empower students to explore the intricacies of game development and equip them with valuable insights and practical experience. The journey began with foundational concepts such as plotting shapes, drawing in Game Lab, understanding variables, and utilizing random numbers. As students progressed, they delved into sprite properties, text manipulation, and animations. They learned about handling user input through keyboards and mice, and how to develop interactive projects like an animated card and a side-scrolling game.

The program covered complex concepts such as velocity, collision detection, and intricate sprite movements, challenging the students to push their creative boundaries. A significant emphasis was placed on understanding the game design process, culminating in a project where students could design their own game, putting their knowledge and creativity to the test. The camp was not just about learning the nuances of game design but also about embarking on a creative journey. This journey aimed to lay a robust foundation for the students' future endeavors in the interactive entertainment world. It was an exciting and enriching experience that empowered young minds, setting them on a path toward becoming the game developers and interactive entertainment creators of tomorrow.

In conclusion, the Game Development Camp was a successful venture, immersing high school students in the captivating world of game development, nurturing their creativity, and providing them with the skills and knowledge necessary to thrive in this dynamic industry.

### **Program Objectives:**

- Develop foundational skills in game development and interactive animation.
- Enhance problem-solving abilities and creativity through hands-on activities.
- Learn the fundamentals of programming and apply them to interactive entertainment projects.
- Gain proficiency in using game development tools and software.
- Understand the game design process and principles.
- Encourage teamwork, collaboration, and communication among participants.
- Foster a passion for the field of interactive entertainment and game design.

### **Program Outcomes:**

Upon successful completion of the Game Development Camp, participants will be able to:

- Demonstrate a solid understanding of foundational game development concepts.
- Create interactive animations and design basic games.
- Apply programming principles to develop interactive elements within a game.
- Utilize game development software and tools effectively.
- Showcase proficiency in designing and implementing game mechanics and gameplay.
- Collaborate with peers to create a complete interactive entertainment project.
- Develop a portfolio of mini-projects and demonstrate their creative and technical skills.
- Express an informed interest in pursuing further education or a career in interactive entertainment and game development.

## Program Content:

- Programming for Entertainment
- Plotting Shapes
- Drawing in Game Lab
- Shapes and Parameters
- Variables
- Random Numbers
- Sprites
- Sprite Properties
- Text
- Mini-Project - Captioned Scenes
- The Draw Loop
- Sprite Movement
- Mini-Project - Animation
- Conditionals
- Keyboard Input
- Mouse Input
- Project - Interactive Card
- Velocity Collision Detection
- Mini-Project - Side Scroller
- Complex Sprite Movement
- Collisions
- Mini-Project - Flyer Game
- Functions
- The Game Design Process Project - Design a Game
- CS Discoveries Post-Course Survey

## Who can attend?

This program is open to all High School students studying 6th to 8th Grade.

## Theme of the Program

Microsoft Office is the most widely used tool for sharing/presenting professional information by a considerable number of companies in the world. The benefits of Microsoft Office to business productivity is so important that all computer-based professionals today are very familiar with Office. It is used at home, schools and offices daily for organizing, handling and presenting data and information and offers programs that can be used both in a web browser and on a desktop.

At technology-driven workplaces, employers expect employees to have a working knowledge of Microsoft Office programs like Word, Excel, and PowerPoint. Ensuring your students are taught how to use these programs will set them up for success when they enter the workforce.

Women need a basic understanding of and ability to use digital media to work effectively in today's society and use technologies in a meaningful and multiple way. and we organized a one week training program for house wives on "Digital House Wives" in association with Computer Society of India, Student Branch.

## Organizing data and insights with Excel

Not only should students be able to organize, analyze, manipulate, and present data within Microsoft Excel, they should be able to communicate their insights in a way that helps build a business's competitive advantage.

## Creating polished business documents in Word

There's more to Microsoft Word than word processing. Students can harness intuitive editing features, advanced formatting options, tables, lists, and sleek design elements to create documents and proposals.

## Presenting ideas to a group with PowerPoint

Engineering students are no strangers to PowerPoint. But understanding the ins and outs of the software can turn a basic slideshow into a dynamic presentation that lets their professional skills shine.

## Digital Housewives Computer awareness training Program

### Program Objectives:

- Improve ability and skills by doing work in lesser time
- Get tips for creating awesome presentation with charts and graphs
- Learn to create letters, reports and manuals using Microsoft Word
- Learn step by step how to type on a keyboard
- Practice what you learned with included exercise files

### Program outcomes:

After completion of the course, the candidate will be able to

- Learn basic computer operations
- Create documents using word
- Perform mathematical calculations using Spreadsheets
- Prepare a presentation
- Usage of E-mails, E-governance Services, and Social Networking
- Perform online payments

### Program Content

- Operating System Windows File Folder Management, Desktop, Application
- Basic Computer Operations (how to boot/shutdown, copy & paste files, create folders etc.)
- Microsoft Word Create Documents using MS Word

- Power Point Create Animated presentation using Powerpoint
- Microsoft Excel learn to perform mathematical calculations and operations in MS Excel
- Internet Use of email using GMail, WhatsApp , Search on Internet, Online Shopping
- Safe Internet browsing how to use Net Banking, book air & rail ticket, gas booking etc.

**Who can attend?**

This program is open to all Women Home makers.

PARTICIPANTS' FEEDBACK ON  
One week ICT course "Digital HouseWives"  
From: 19-06-2023 to 24-06-2023

**Feedback Form**

Academic Year: 2023  
Name of the Participant: V. SRINAGESWARI  
Locality: Daddowair  
Age: 35

This Questionnaire is intended to collect information relating to your satisfaction towards the Add-on course. The information provided by you will be kept confidential and will be used as feedback for quality improvement of the programmes conducted by the Institution in future.

- The Add-on course content was relevant for me  
A. Excellent B. Good C. Average D. Satisfactory E. Poor [ B ]
- The content of the Add-on course was very comprehensive  
A. Excellent B. Good C. Average D. Satisfactory E. Poor [ B ]
- The overall content of the Add-on course was excellent  
A. Excellent B. Good C. Average D. Satisfactory E. Poor [ B ]
- The trainers had very strong expertise in the area  
A. Excellent B. Good C. Average D. Satisfactory E. Poor [ B ]
- The trainers had excellent communication skills  
A. Excellent B. Good C. Average D. Satisfactory E. Poor [ A ]
- The trainers were very well prepared for the Add-on course  
A. Excellent B. Good C. Average D. Satisfactory E. Poor [ B ]
- The Add-on course timings were very convenient  
A. Excellent B. Good C. Average D. Satisfactory E. Poor [ B ]
- The pedagogy used in the Add-on course was very appropriate  
A. Excellent B. Good C. Average D. Satisfactory E. Poor [ B ]
- The registration process was extremely efficient and smooth  
A. Excellent B. Good C. Average D. Satisfactory E. Poor [ B ]
- Hospitality of the Organizing Team of the Add-on course  
A. Excellent B. Good C. Average D. Satisfactory E. Poor [ A ]

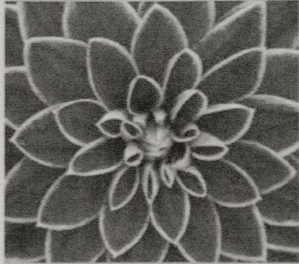

Suggestions for improvement (if any).

## **Awareness Session on Voter Registration (22-07-2023)**

**Chief Guest :** Dr.A.Mallikarjuna, IAS , Visakhapatnam District Collector.

**Programme Co-Ordinator:** Mrs S.Siva Jyothi, Asst. Professor and N.S.S Unit-1 Programme Officer.

### **Theme of the Programme:**

The objective of the program is to encourage our students to register as voters and to participate enthusiastically in the voting process. The President of India has congratulated young voters who have just turned 18 and got the right to vote for the first time. "Our Constitution empowers an independent Election Commission and our election process makes every vote important, with the right to equality and freedom. As such Indian democracy is known through the world for its maturity and stability." She reminded that Developed Countries took many years to hand over the suffrage right to its citizens whereas the Indian Constitution empowered the Indian citizens in one stroke.

### **About the Programme:**

You are aware that the objective of the Election Commission of India is to increase the environment of voters, by using this occasion so as to make universal adult franchise a complete reality and thereby enhance the quality of Indian democracy.

In this context it is to inform that it has been decided to bring awareness among our College students about the Voter's registration process through online on 22-07-2023 from 10.30 A.M to 12.30 P.M at Block-07 Seminar hall, Dr Lankapalli Bullayya College of Engineering, Visakhapatnam.

NVD is celebrated all over the country right from the national level to the far and remote corners of our country down to each Polling Station location where new voters were felicitated with a badge carrying the logo 'Proud to be a Voter- Ready to Vote', administered the Pledge and handed over their Elector Photo Identity Cards (EPICs).

A Group photo of students N.S.SUnit-1 students attending the Voter's registration process in the block-07 seminar hall, Dr Lankapalli Bullayya College of Engineering, Visakhapatnam.

District Electoral officer explaining about the online voter's registration process in detail to our college students.

District Collector speaking to the Print and Electronic media at Dr Lankapalli Bullayya College of Engineering, Visakhapatnam.

Visakhapatnam.

### ABOUT THE PROGRAMME :

Blood donation is a voluntary process where individuals donate their blood to be used for medical purposes. Donated blood is often used in medical treatments, surgeries, and emergencies. It's an essential resource for healthcare systems to ensure a steady supply of blood for patients in need.

Typically, donors need to meet certain eligibility criteria, including age, weight, and overall health. The donation process involves a medical screening to ensure the donor's safety and the safety of the recipient. After donation, the blood is tested, processed, and stored before being distributed to hospitals and clinics.

Donating blood is a selfless act that can save lives. It's important to check with local blood donation centers or organizations to learn about the specific donation procedures and requirements in your area.

NSS student of Cse-A Final year Ch.Hemanth is donating blood in the camp.

NSS student of ECE N.Pavan Kalyan is donating the blood in the camp.

### Program Description:

The Green 9 Energy Saving Club is a research forum that was formed in 2016 by a group of energy experts across the globe to discuss energy consumption and natural resources. The club aims to reduce the carbon dioxide footprint by reducing energy demand through effective energy audit, design, development, and implementation of innovative products that can provide solutions for energy efficiency. The club also promotes awareness of saving energy and renewable energy to the public.

### OBJECTIVES OF IGEN GREEN9

- To produce skilled Energy Engineers through G9EnSAv Club – CEEnA (Certified Energy Ambassador)
- To inline the activities towards UN Sustainable Development Goals 7 & 13
- The quest to reduce the Carbon dioxide footprint by reducing energy demand through effective energy audit
- To design – develop – implement innovative products which can provide solutions for energy efficiency
- To promote save energy/renewable energy awareness to the general public.

### Event Highlights:

- **Energy Audits:** Our students will conduct energy audits at selected locations, offering personalized recommendations for energy-saving improvements.
- **Tips for Energy Efficiency:** Get expert advice on simple changes you can make to save energy and reduce utility bills.
- **Prizes and Rewards:** Participate in the activities for a chance to win exciting prizes and rewards. These informative and interactive events will make a positive impact on the environment and daily life. For more information, please contact the coordinator Mr. Ch.Ravi Kumar, Assistant Professor, Department of Electrical and Electronics Engineering, Dr. Lankapalli Bullayya College of Engineering.

## About the College

Dr. Lankapalli Bullayya College of Engineering formerly known as Dr. Lankapalli Bullayya College of Engineering for Women was started in 2010 as a part of the group of educational institutions run by the Society for Collegiate Education, Visakhapatnam by the philanthropists who visualized the need for serving the society by means of affordable, accessible and qualitative, value-based education.

There are four branches of Engineering in the college including CSE, ECE, EEE and Civil with an annual intake of 120 each for CSE and ECE while the intake for EEE and Civil being 60 seats. The Women's Engineering College then evolved into a full-fledged Co-education Engineering college in the academic year 2020-21. The college is Affiliated to Andhra University, Visakhapatnam and approved by AICTE, New Delhi.

## About the EEE Department

The Department of Electrical & Electronics Engineering was established in 2010-2011. The department offers a four year B.Tech degree program. The department is resourceful in terms of infrastructure and state-of-the-art facilities to pursue academic education and research in niche areas of technology. Liberal funding from the college management has enabled the Department to acquire specialized research facilities. The highly qualified and experienced faculty in adequate strength with zero attrition rates is one of the most significant features of the department. Electrical &

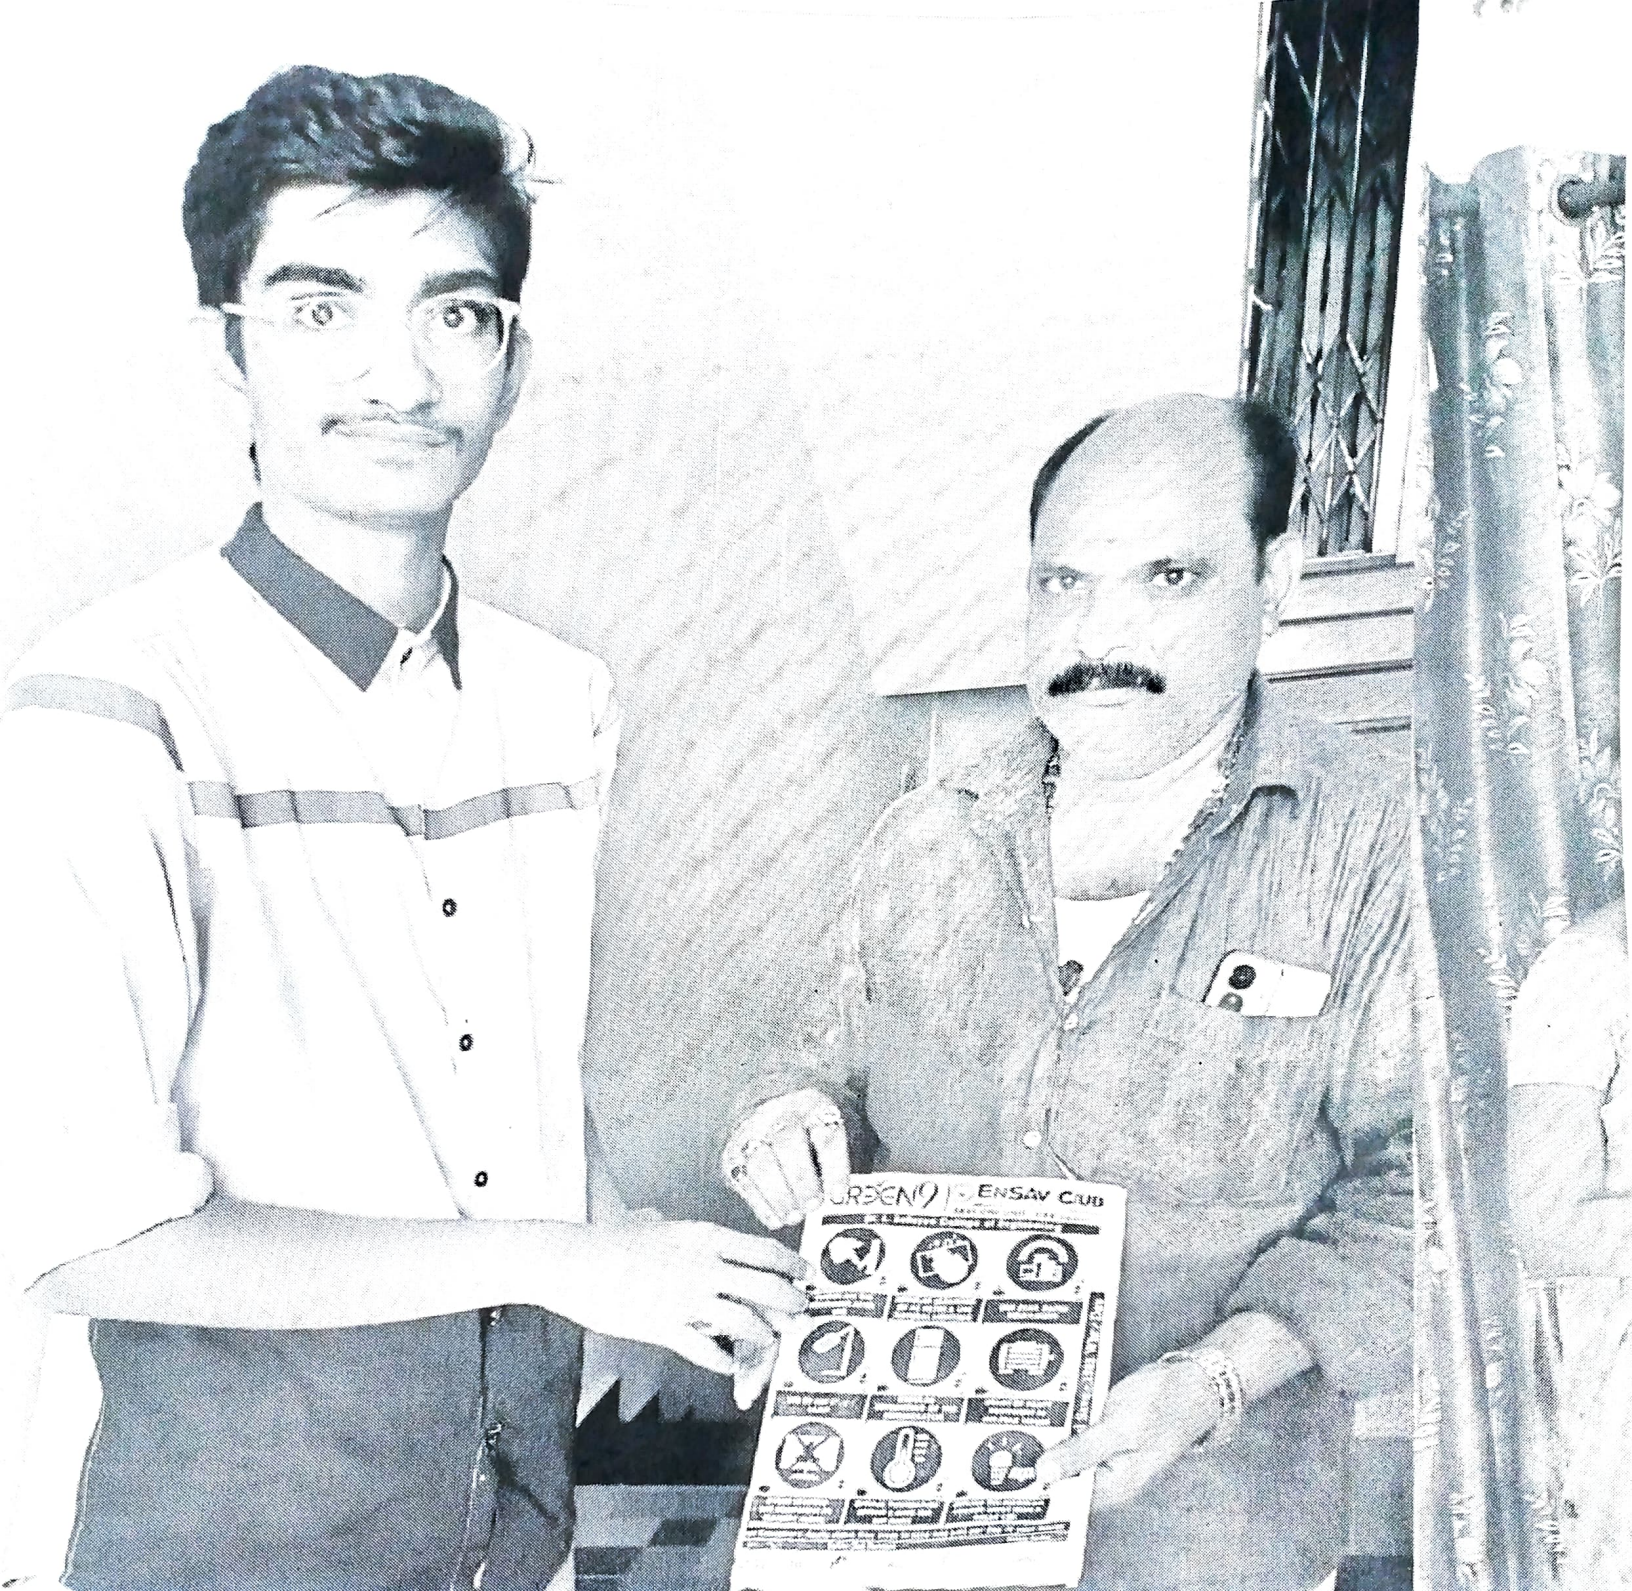

Electronics Engineering is an enlightening branch which requires overall peripheral knowledge about all other branches and in-depth knowledge of Electrical & Electronics Engineering.

## About the Workshop

Green 9 Energy Saving Club is a research forum named Energy Efficiency Research Group (GREEN9) that was formed in the year 2016 and initiated the energy efficiency activities from 18th June, 2016. The club is affiliated with a Registered Professional Society named as "The Institution of Green Engineers" (IGEN) which is registered under Societies Registration Act 27 of 1975. The club aims to produce skilled Energy Engineers through G9EnSAV Club – CEnA (Certified Energy Ambassador) and to inline the activities towards UN Sustainable Development Goals 7 & 13. The quest is to reduce the Carbon dioxide footprint by reducing energy demand through effective energy audit.

The Department of EEE is planning to conduct the Energy Audit of Residential Buildings in the nearby areas through Green9 Energy Saving Club. The students of EEE Department are the members of the Green 9 Energy Saving Club.

In this Energy Audit the G9EnSAV Club will visit the Residential Buildings in the nearby areas and conduct the Questionnaire. The members will also suggest Energy Efficiency tips for the residents.

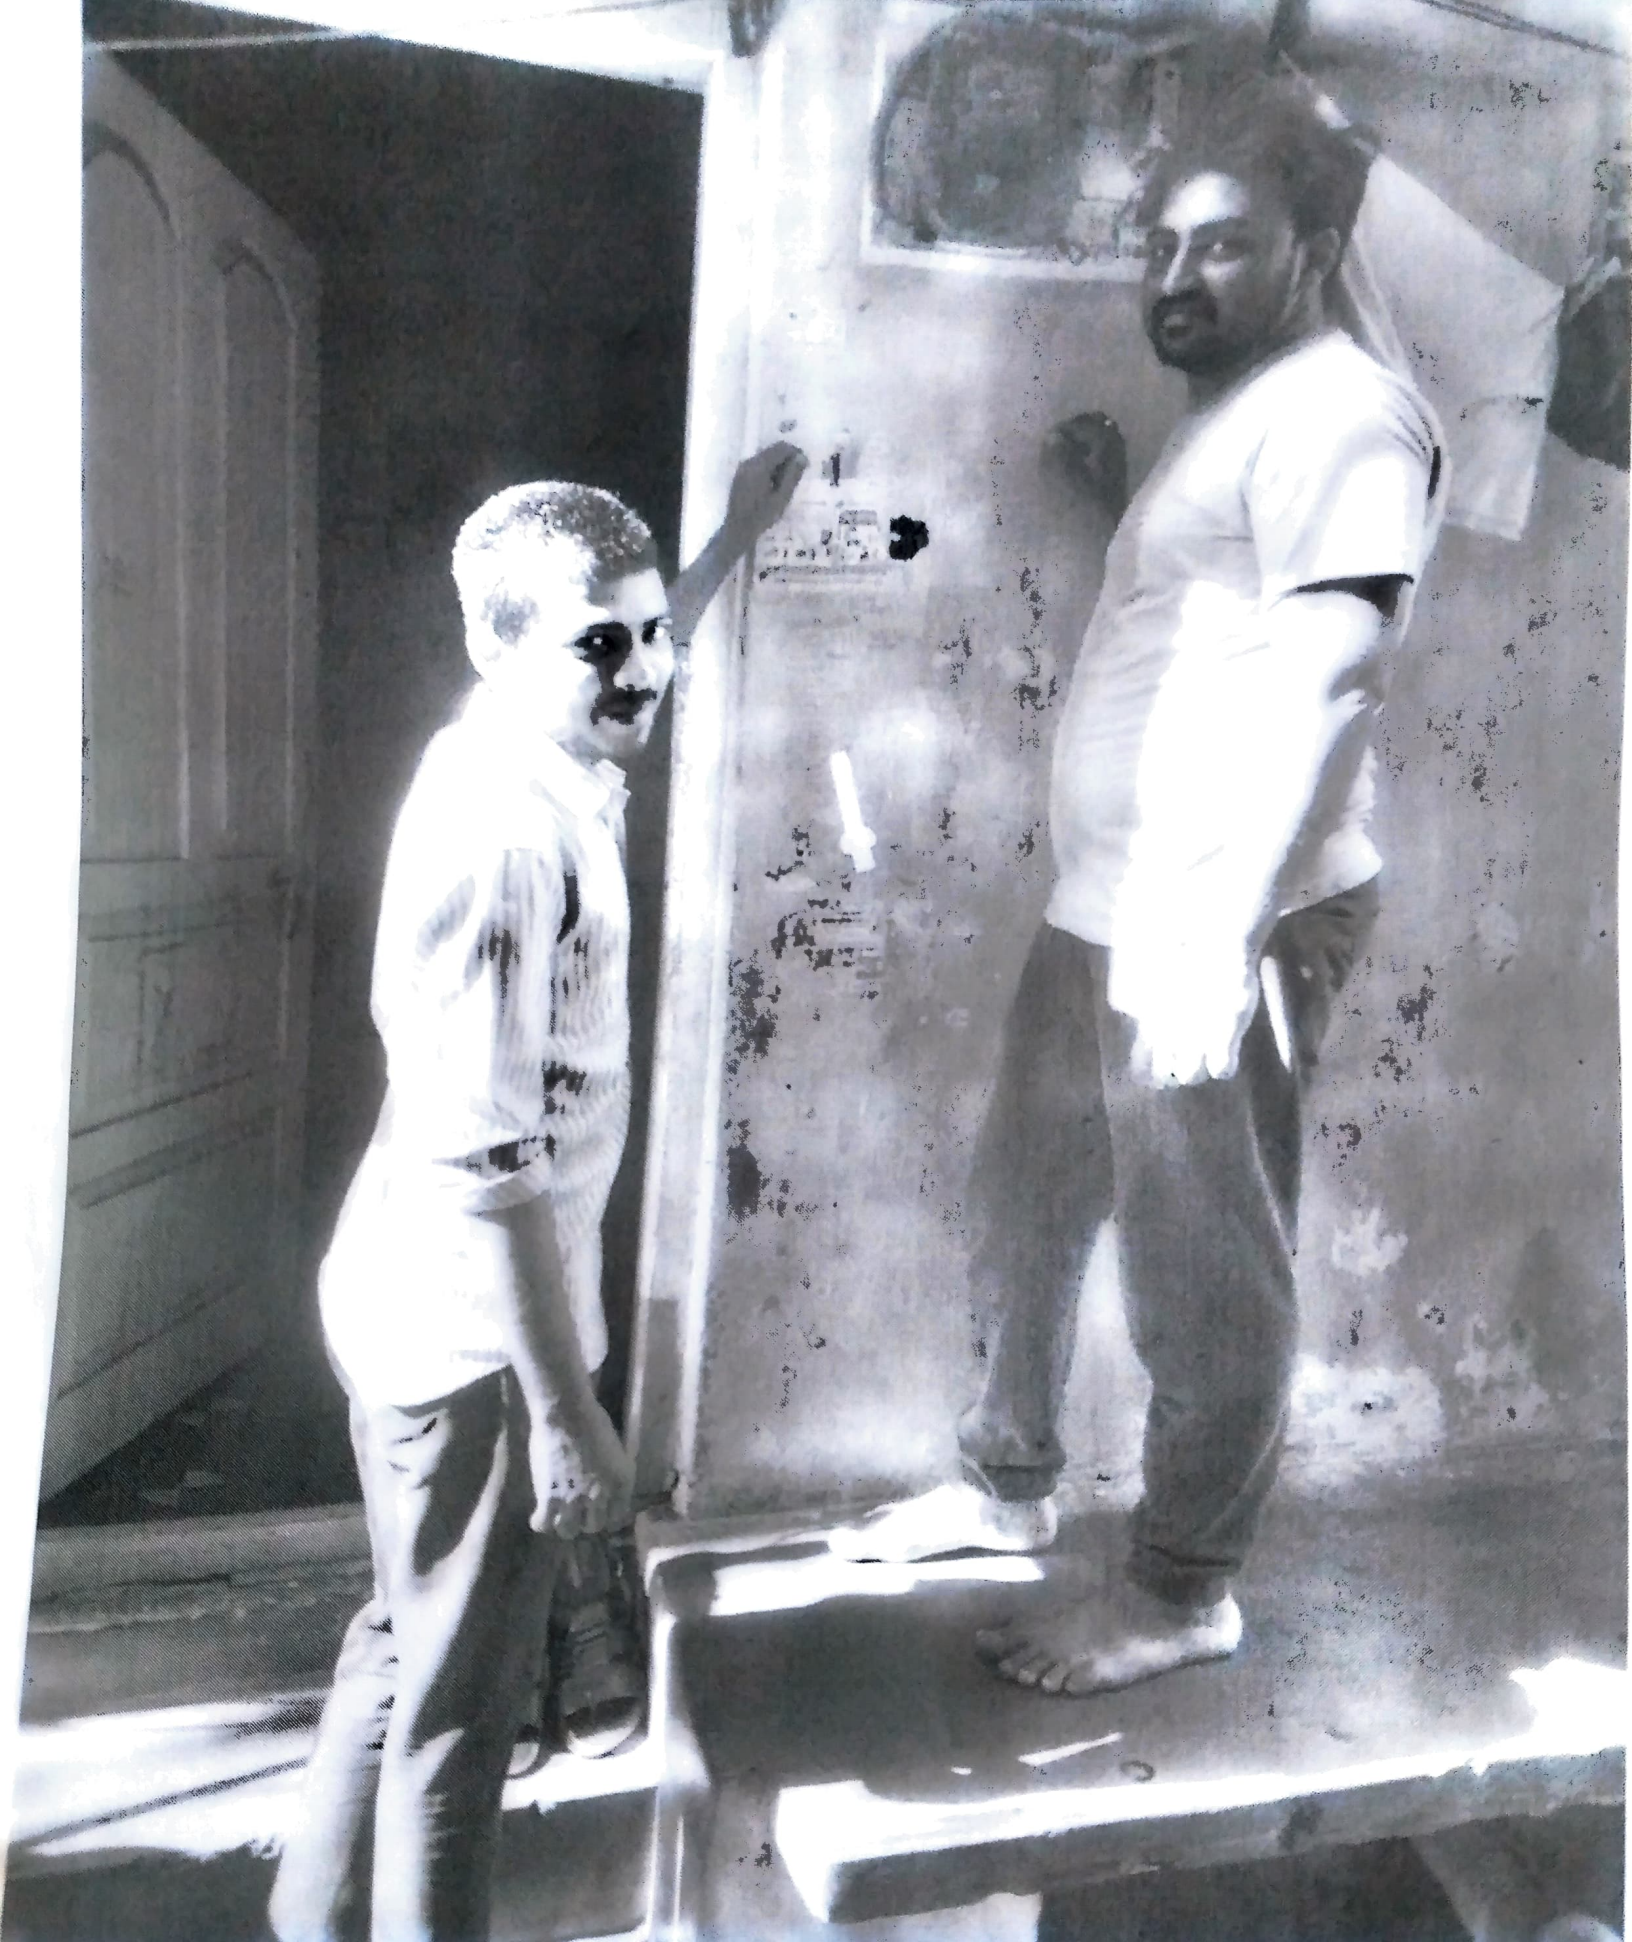

**GREEN SENSIV CLUB**  
A COMMITMENT TO SUSTAINABILITY

 Planting trees to improve air quality and reduce carbon footprint.	 Conserving water by fixing leaks and using water-saving devices.	 Recycling paper, plastic, and other materials to reduce waste.
 Using energy-efficient light bulbs to reduce electricity consumption.	 Properly disposing of waste in designated bins.	 Reducing paper usage by using digital communication.
 Using reusable containers to reduce single-use plastics.	 Using reusable bags to reduce plastic waste.	 Using reusable cups to reduce paper waste.

**GREEN SENSIV CLUB**  
A COMMITMENT TO SUSTAINABILITY

### **Impact of Energy Audit on Beneficiaries:**

The Energy Audit conducted by the students of Dr. Lankapalli Bullayya College of Engineering under the Green9 club had a profound and positive impact on the beneficiaries, primarily the residents of our local community.

### **Impact on Beneficiaries:**

**Reduced Energy Costs:** One of the most significant and immediate benefits experienced by the beneficiaries was a notable reduction in their monthly electricity bills.. Many beneficiaries reported substantial reductions in their energy expenses, alleviating financial burdens.

- **Energy Conservation:** The audit's recommendations empowered beneficiaries to adopt energy-efficient practices and technologies. As a result, energy consumption was reduced, leading to conservation of valuable energy resources. This not only benefited individuals but also contributed to environmental sustainability by lowering carbon emissions and reducing energy demand on the grid.
- **Increased Awareness:** The energy audit and subsequent recommendations played a vital role in raising awareness about responsible energy consumption within the community. Beneficiaries became more conscious of their energy use and its broader impact on the environment.
- **Enhanced Quality of Life:** By lowering energy costs and reducing energy wastage, beneficiaries experienced an improved quality of life. The financial relief allowed families to allocate resources to other essential needs.
- **Skill Development:** In addition to benefiting the community, the energy audit provided valuable experimental learning opportunities for the students involved. They gained practical skills in energy auditing, data analysis, and communication, which will serve them well in their academic and professional pursuits.

The Energy Audit conducted by the students of Dr. Lankapalli Bullayya College of Engineering through the Green9 club brought tangible and lasting benefits to the beneficiaries. These included reduced energy costs, energy conservation, increased awareness of responsible energy use, an enhanced quality of life, and skill development for our students.

### **Awareness Campaign on Voter's App Registration (07-12-2023)**

**Programme Co-Ordinator:** Mrs S.Siva Jyothi,N.S.S Unit-1 Programme Officer.

#### **Theme of the Programme:**

The "Awareness Campaign on Voter's App Registration for New Users and Status checking of the EPIC Card for the Present Users" is an initiative aimed at enhancing the democratic process by promoting the use of digital tools for voter registration and verification. This campaign, scheduled for December 7, 2023, seeks to educate and assist citizens in navigating the Voter's App, a pivotal platform that streamlines the process of enrolling new voters and checking the status of existing Elector's Photo Identity Cards (EPIC). By leveraging technology, the campaign aspires to increase voter participation and ensure the accuracy and accessibility of voter information, thereby strengthening the integrity of the electoral system.

#### **About the Programme:**

The theme of this campaign revolves around "Empowering Voters through Digital Innovation". It underscores the importance of utilizing modern technology to make the electoral process more efficient, transparent, and user-friendly. The focus will be on:

1. **Digital Literacy:** Educating citizens, especially first-time voters, on how to use the Voter's App for seamless registration.
2. **Verification and Transparency:** Assisting current voters in checking and updating their EPIC card status to ensure accurate voter rolls.
3. **Inclusive Participation:** Encouraging a broader demographic to participate in the democratic process by removing barriers to registration and verification.
4. **Community Engagement:** Involving community leaders and volunteers to spread awareness and provide hands-on assistance to users in navigating the app.

A Group Photo with Dr. D. Deepak Chowdary, Principal, Dr. L. Bullayya Engg. College along with N.S.S Unit-01 Programme Officer Mrs. Siva Jyothi and N.S.S students of Unit-01 who has taken part at the start of Voters app registration campaign.

Raising Awareness in the students on the process of voting

An interactive Session with the students on the importance of Universal adult franchise

Students actively listening about the importance of voting

Creating awareness among the youngsters on the importance of enrolling in electoral rolls

Demonstrating the EPIC voter's app and its installation on their respective mobile phones

Visakhapatnam,  
12<sup>th</sup> Feb 2024.

From  
Dr.G.T.Naidu,  
Head of the Department  
Department of Civil Engineering,  
Dr.LankapalliBullayya College of Engineering,  
Visakhapatnam.

To  
The Principal,  
Dr. Lankapalli Bullayya College of Engineering,  
Visakhapatnam.

Respected Sir,

Sub: Request to grant permission for a household survey at Resapuvanipalem  
as a part of extension activity-III/IV B.Tech Civil -reg

Students of 3<sup>rd</sup> B. Tech should do an extension activity as a part of their  
academic curriculum. We are planning to go for a "Household Survey at  
Resapuvanipalem" on 15<sup>th</sup> February 2024 which can be a valuable learning  
experience that provides practical skills to the students. We request your kind self  
to grant permission to initiate the work.

Thanking you Sir,

Yours Sincerely,

  
(Dr.G.T.Naidu)

## **Brief Description of the Extension Activity:**

### **“Household Survey at Resapuvanipalem”**

The students surveyed the following aspects in every household at Resapuvanipalem

1. Type of house
2. Rainwater harvesting availability
3. Water usage (Daily Consumption)
4. Tank size available
5. Source of water availability
6. TDS of water
7. Usage of water purifier
8. Any Distress Identification
9. Any Cracks
10. Drainage Facility
11. Greenery

## Dr. LANKAPALLI BULLAYYA COLLEGE OF ENGINEERING

## Impact of the Event:

Conducting household survey as students is a valuable learning experience that provides practical research skills, promotes community engagement, and contributes to the understanding of various aspects of households and communities.

Students were able to understand the practical issues associated with a household that occurs after construction. They observed the water quality and building health of every household they visited. They measured the Total Dissolved Solids (TDS) of water samples including ground water. They also inspected the Structural failures of the building, which helps in analyzing the mistakes at constructional phase.

All the students benefitted in learning practical issues faced by the residents.

## **PLANTATION PROGRAMME IN THE RESAPUVANIPALEM SLUM(24-02-2024)**

**Programme Co-ordinator : Mrs.S.Siva Jyothi, N.S.S Unit-1 Programme Officer.**

### **Theme of the Programme:**

The main purpose of this programme is to encourage people to plant seedlings in the open spaces and educate them on the significance of the green cover, prompting them to do so by planting the saplings so that they would take appropriate care of it and enhance it's development.

### **About the Programme:**

The NSS unit of Dr.Lankapalli Bullayya College Of Engineering conducted a Plantation programme on 24/02/2024 from 4.00 P.M to 5.30P.M as a part of N.S.S activity. Prof D.Deepak Chowdary, Principal of the College, N.S.S Unit-01 programme officer, Ms.S.Siva Jyothi and the students of NSS Unit-01 participated in the plantation programme.

The main purpose of this programme is to save the endangered environment and to beautify our life. Trees are valuable gifts of nature. They are known as the best friends of human beings.

Armed with saplings and determination, they aimed to bring greenery and hope to the neglected community. Their simple act of planting trees not only transformed the landscape but also fostered community bonds and inspired others to join the cause. Through their efforts, they showed that small actions can make a big impact, turning a once barren area into a thriving oasis of greenery and optimism

A Group Pic of the N.S.S Cadets and the N.S.S Programme Officer Mrs.S.Siva Jyothi,planting saplings in the Resapuvanipalem slum area for enviromental sustainability.

In Resapuvanipalem's slum, NSS students from Dr.Lankapalli Bullayya College of Engineering launched a plantation program.

Armed with saplings and determination, they aimed to bring greenery and hope to the neglected community. Their simple act of planting trees not only transformed the landscape but also fostered community bonds and inspired others to join the cause. Through their efforts, they showed that small actions can make a big impact, turning a once barren area into a thriving oasis of greenery and optimism.

A Group Photo of the N.S.S Cadets of unit-01 and the N.S.S Programme Officer Mrs.S.Siva Jyothi, organized Plantation Programme in the Resapuvanipalem slum area.

Distributing Lunch parcels to the N.S.S Students ,who are participating in the plantation programme.

## LITERACY REVIEW PROGRAMME IN THE RESAPUVANIPALEM SLUM (25-02-2024)

**Programme Co-Ordinator:** Mrs.S.Siva Jyothi, N.S.S Unit-1 Programme Officer.

### Theme of the Programme:

In Resuvanipalem's slum, NSS students from Dr.Lankapalli Bullayya College of Engineering initiated a literacy review program. With books in hand and passion in their hearts, they aimed to ignite the flames of knowledge in the community. Through interactive sessions and reading circles, they endeavored to improve literacy rates and foster a love for learning. Their efforts didn't just stop at teaching; they provided resources and support to ensure sustainable progress. Empowering individuals with the gift of education, they sowed seeds of change that would flourish for generations. Through their dedication, they proved that education is the key to unlocking brighter futures. With each page turned and each mind enlightened, they brought hope and opportunity to Resuvanipalem's doorstep.

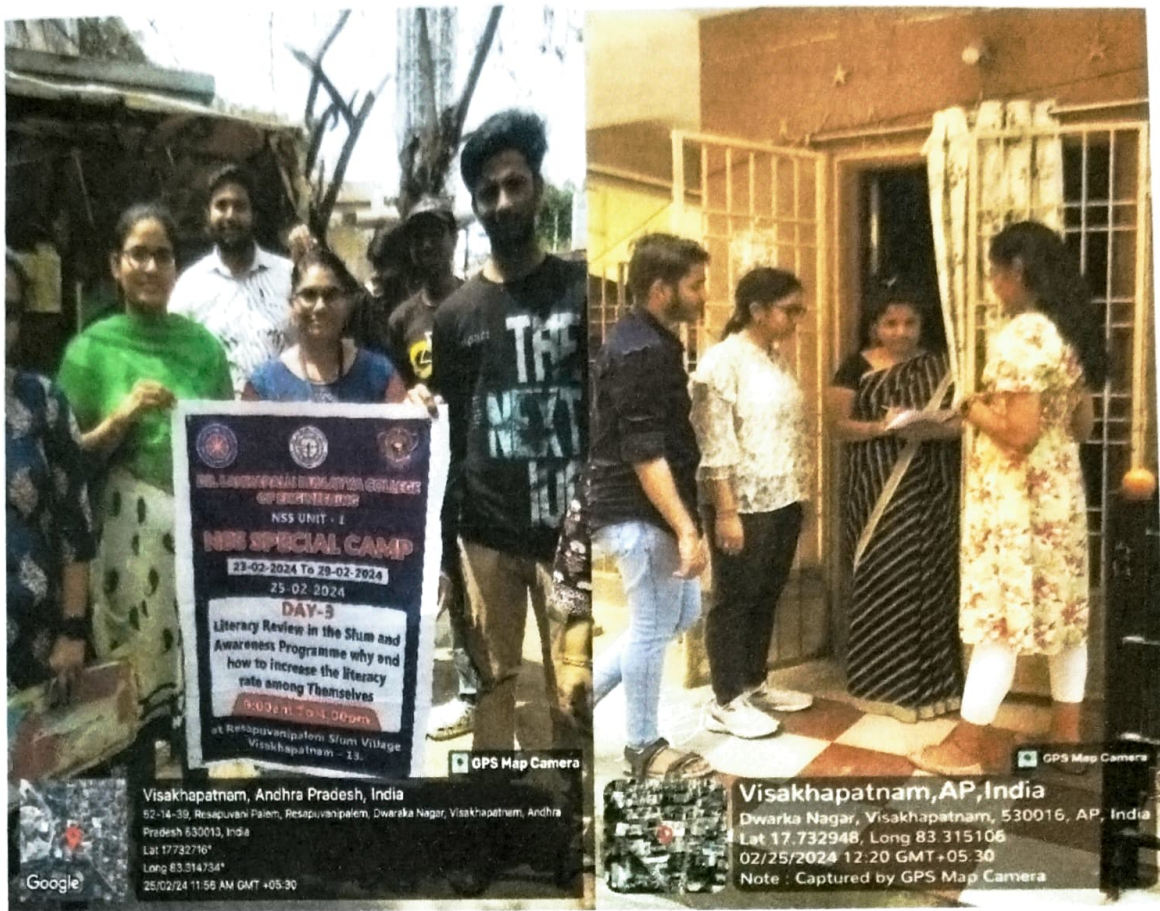

### About the Programme:

The NSS unit of Dr.Lankapalli Bullayya College Of Engineering conducted Literacy Review on 25/02/2024 from 10.00A.M to 12.30P.M as a part of N.S.S activity.

The main purpose of the literacy program is to empower individuals with essential reading and writing skills, fostering personal growth and societal advancement through education. It aims to break down barriers to learning, ensuring equal opportunities for all to access knowledge and opportunities. Prof D.Deepak Chowdary, Principal of the College, NSS programme officer, Ms.S.Siva Jyothi and the students of NSS Unit-01 participated in the unit

A Group Pic of the N.S.S Cadets and the N.S.S Proramme Officer Mrs.S.SivaJyothi, in the Resapuvanipalem slum area of Campaign along with the college Banner.

N.S.S Students explaining to the public of the Resapuvanipalem slum about the importance of Education to raise the one's standard of living and also for a healthy life style in the present day situation.

N.S.S Students explaining to the public of the Resapuvanipalem slum about the importance of Education and taking literacy review survey.

In Resuvanipalem's slum, NSS students of Cse 3rd year Y.Yashashwitha and Ch.Harshitha from Dr.Lankapalli Bullayya College of Engineering initiated a literacy review program. With books in hand and passion in their hearts, they aimed to ignite the flames of knowledge in the community. Through interactive sessions and reading circles, they endeavored to improve literacy rates and foster a love for learning. Their efforts didn't just stop at teaching; they provided resources and support to ensure sustainable progress. Empowering individuals with the gift of education, they sowed seeds of change that would flourish for generations. Through their dedication, they proved that education is the key to unlocking brighter futures. With each page turned and each mind enlightened, they brought hope and opportunity to Resuvanipalem's doorstep.

Visakhapatnam.

To

The Principal,  
Dr.Lankapalli Bullayya College of Engineering ,  
Visakhapatnam.

Respected Sir,

Sub: Request to grant permission to conduct Awareness Programme regarding  
the Water and Air Pollution in the Resapuvanipalem slum on 26-02-2024-reg.

In order to create awareness among the citizens regarding the need for reduce the quantum of plastic consumption among the general public and its impact on health, the NSS Unit of Dr.Lankapalli Bullayya College of Engineering would like to conduct this event in which a large section of the citizens of the Resapuvanipalem slum participate. The NSS unit plans to provide a small token of assistance to the citizens participating in the walk in the form of water and air pollution.

I would like to request you to kindly grant permission to NSS cadets to conduct the event on 26-02-2024 from 4.00 P.M to 5.30 P.M.

Thanking you Sir.

Your's Sincerely

### **AWARENESS ON WATER AND AIR POLLUTION IN THE RESAPUVANIPALEM SLUM (26-02-2024)**

**Programme Co-Ordinator** : Mrs S.Siva Jyothi, N.S.S Unit-1 Programme Officer.

#### **Theme of the Programme:**

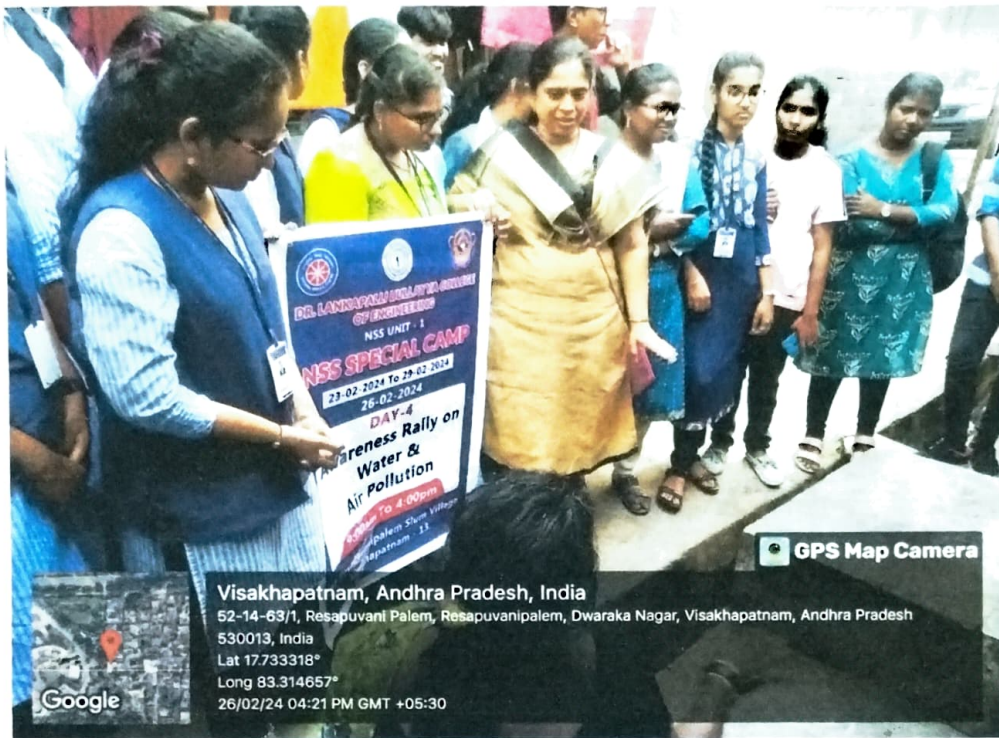

In Resuvanipalem's slum, NSS students of Unit-01 from Dr. Lankapalli Bullayya College of Engineering conducted an awareness program on water and air pollution. They engaged the community through informative sessions, highlighting the impact of pollution on health and the environment. With practical demonstrations and discussions, they empowered residents to adopt sustainable practices. Through their efforts, they aimed to inspire collective action for cleaner water and air. The program fostered a sense of responsibility towards preserving natural resources for future generations. Together, they worked towards a cleaner and healthier environment for all in Resapuvanipalem.

#### **About the Programme:**

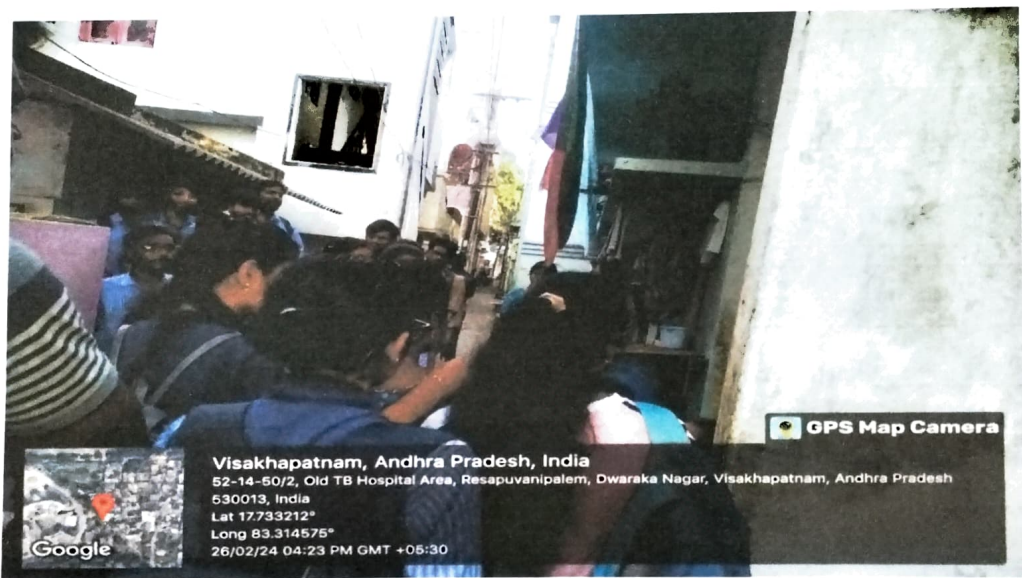

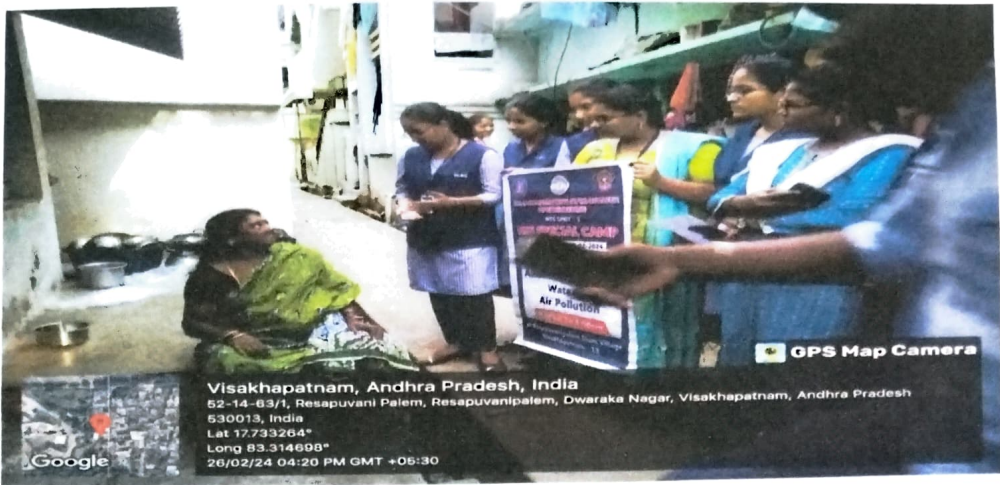

The NSS unit of Dr.Lankapalli Bullayya College Of Engineering conducted An Awareness programme on Water and Air pollution in the Resapuvanipalem slum on 26/02/2024 from 4.00 P.M to 5.30 P.M as a part of N.S.S activity.

The primary goal of the water and air pollution awareness program is to educate communities about the detrimental effects of on health and the environment. By raising awareness, i aims to inspire individuals to take proactive steps towards mitigating pollution and preserving natural resources for future generations.

Prof D.Deepak Chowdary, Principal of the College, NSS programme officer of Unit-01, Ms.S.Siva Jyothi and the students of NSS Unit participated in the unit.

A Group Photo of the N.S.S Cadets and the N.S.S Proramme Officer Mrs.S.Siva Jyothi, Campaign along with the college Banner and -explaining to the public of the resapuvanipalem slum about the importance of Air And Water Pollution .

### **AWARENESS ON CLEAN AND GREEN PROGRAMME IN THE RESAPUVANIPALEM SLUM**

**(27-02-2024)**

**Programme Co-Ordinator :** Mrs S.Siva Jyothi, N.S.S Unit-1 Programme Officer.

#### **Theme of the Programme:**

In Resuvanipalem's slum, NSS students from Dr.LankapalliBullayya College of Engineering led a clean and green initiative. Armed with garbage bags and determination, they worked tirelessly to clear litter and debris from the area. Through community clean-up drives and waste disposal awareness campaigns, they aimed to improve sanitation and enhance the environment. Engaging residents in the effort, they fostered a sense of pride and responsibility for maintaining cleanliness. Their dedication transformed once neglected spaces into tidy, welcoming areas, showcasing the power of collective action. Together, they made Resuvanipalem a cleaner, more livable place for everyone.

#### **About the Programme:**

The NSS unit of Dr.Lankapalli Bullayya College Of Engineering conducted a Clean and Green on 27-02-2024 from 3.00 P.M to 4.30P.M as a part of N.S.S activity.

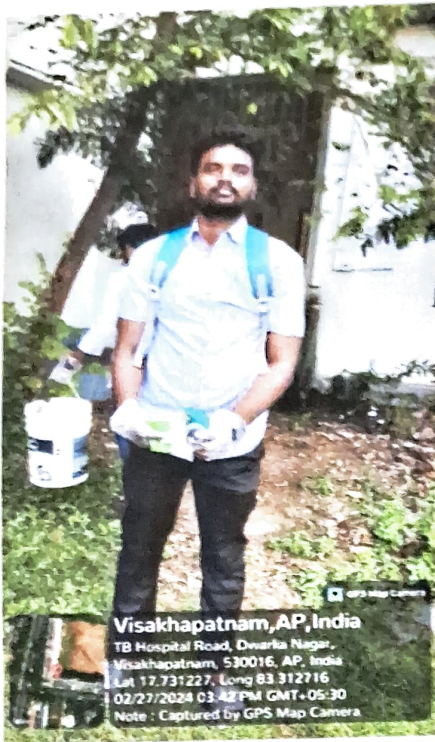

The main purpose of cleaning slums is to enhance public health, sanitation, and living conditions for residents while promoting social equity and dignity within marginalized communities.

Prof D.Deepak Chowdary, Principal of the College, NSS programme officer of Unit-01, Ms.S.Siva Jyothi and the students of NSS Unit-01 participated in the programme.

A Photo of the N.S.S Cadets are participating in cleaning activities in the Resapuvanipalem slum area as part of camping expedition.

A Group Photo of the N.S.S Cadets of Unit-01 and the N.S.S Programme Officer, organised a Clean And Green Campaign in the Resapuvanipalem slum area.

## **BOOKS,SLATES AND PENS DISTRIBUTION IN THE RESAPUVANIPALEM SLUM**

**(28-02-2024)**

**Programme Co-Ordinator :** Mrs S.Siva Jyothi, N.S.S Unit-1 Programme Officer.

### **Theme of the Programme:**

In Resuvanipalem slum, N.S.S students from Dr.Lankapalli Bullayya College of Engineering organized a books, slates, and pens distribution program. With a vision of education as a tool for empowerment, they provided essential learning materials to the community. Through this initiative, they aimed to break barriers to education and promote literacy among residents. The distribution of books, slates, and pens not only equipped individuals with the means to learn but also instilled a sense of hope and opportunity. By empowering the youth with educational resources, they paved the way for a brighter future in Resuvanipalem. Through their selfless efforts, they demonstrated the transformative power of education in uplifting communities.

### **About the Programme:**

The NSS unit of Dr.Lankapalli Bullayya College Of Engineering conducted a Books,Slates and Pen's Distribution on 28-02-2024 from 9.00A.M to 4.00P.M as a part of N.S.S special camp activity.Distributing books, pens, and slates aims to boost education and literacy, empowering individuals with essential tools for learning and personal growth, fostering a culture of knowledge and skill acquisition within communities.

Prof D.Deepak Chowdary, Principal of the College, NSS Unit-01 programme officer, Ms.S.Siva Jyothi and the students of NSS Unit-01 participated in the Programme.

In Resuvanipalem slum, NSS students from Dr.Lankapalli Bullayya College of Engineering organized a books, slates, and pens distribution program. With a vision of education as a tool for empowerment, they provided essential learning materials to the community. Through this initiative, they aimed to break barriers to education and promote literacy among residents. The distribution of books, slates, and pens not only equipped individuals with the means to learn but also instilled a sense of hope and opportunity. By empowering the youth with educational resources, they paved the way for a brighter future in Resuvanipalem. Through their selfless efforts, they demonstrated the transformative power of education in uplifting communities.

A Group Pic of the N.S.S Cadets and the N.S.S Proramme Officer Mrs.S.Sivalyothi, organized books, pen and slate distribution in the Resapuvanipalem slum area.

A Group Pic of the N.S.S Cadets are distributing accessories to children which help enhance their access to education and improve their literacy skills.

## Awareness Campaign on Zero Discrimination Day (01-03-2024)

**Programme Co-Ordinator:** Mrs.S.Siva Jyothi, N.S.S Unit-1 Programme Officer.

### **Theme of the Programme:**

The objective of the Zero Discrimination Day 2024 and its theme is "Protect Everyone's Health, Protect Everyone's Rights." The theme emphasises building association links with human rights and public health in achieving the goal of eliminating AIDS by 2030. The day is particularly noted by organisations such as UNAIDS to combat discrimination against people living with HIV/AIDS.

### **About the Programme:**

Zero Discrimination Day is observed annually on March 1 to promote equality, inclusion, and diversity while raising awareness about the harmful impact of discrimination worldwide. In this context it has been decided to bring awareness among our the people about the Zero Discrimination Day on 01-03-2024 from 4:00P.M to 5:30 P.M in the Resapuvanipalem Slum.

On Zero Discrimination Day 2024, we celebrate the right of the people to live a full and protective life that is to live a life with dignity. Zero Discrimination Day 2024 helps to create a global movement of solidarity to end all forms of discrimination. The United Nations (UN) and other international organizations are responsible for Zero Discrimination Day. This day aims to promote equality before the law and in practice and to bring peace to the members of some countries in the UN.

Raising Awareness in the Resapuvanipalem Slum among the people

Creating awareness on people rights

Educating people about the zero discrimination health issues

People interacting on zero day discrimination

### E BIKE RALLY ALONG BEACH ROAD (01-03-2024)

Chief Guest :Dr.G.MadhuKumar,Seceraty& Coorespondient.

Programme Co-Ordinator:Mr B.Satish Naidu, Asst. Professor and N.S.S Unit-2 Programme Officer.

#### Theme of the Programme:

For an e-bike rally, the theme can focus on sustainability, innovation, health, and community engagement. Here are some theme ideas for the program:

1. **"Ride Green, Live Clean"** – Focus on promoting eco-friendly transportation and reducing carbon footprints with e-bikes.
2. **"Pedal to the Future"** – Highlight the innovation and technological advancements of e-bikes as the future of transportation.
3. **"Power Up Your Ride"** – Emphasize the power and efficiency of electric bikes for both commuting and recreational purposes.
4. **"Energize Your Journey"** – Inspire participants to embrace e-bikes as a healthy, energetic way to travel.
5. **"Electric Revolution: Reimagining the Ride"** – A focus on how e-bikes are transforming urban mobility and creating a sustainable transport revolution.
6. **"Wheels of Change"** – Encourage community engagement in reducing pollution and promoting health by switching to e-bikes.
7. **"Charge Ahead: The Smart Commute"** – Promote e-bikes as a smarter, more efficient way to commute and move forward sustainably.

Each theme can set the tone for the event and include specific activities, such as e-bike demos, safety tips, eco-awareness workshops, and fun challenges.

#### About the Programme:

An **EV Bike Rally** is an event designed to showcase and promote electric vehicles (EVs), specifically electric bikes, while highlighting the importance of eco-friendly transportation and technological innovation. EV bike rallies attract a diverse group of participants, including bike enthusiasts, environmentalists, tech lovers, and the general public, to experience the advantages of electric bikes firsthand.

## Awareness Campaign on No Smoking Day (13-03-2024)

Programme Co-Ordinator: Mrs.S.Siva Jyothi,N.S.S Unit-1 Programme Officer.

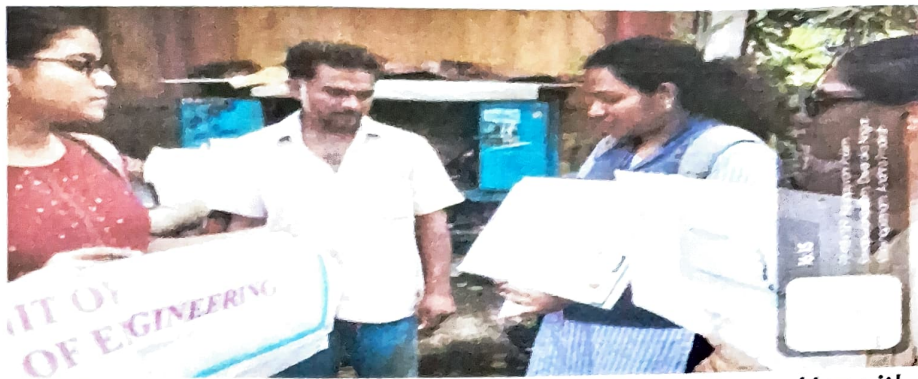

### Theme of the Programme:

The Awareness Campaign on No Smoking Day is an initiative dedicated to raising awareness about the harmful effects of smoking and encouraging smokers to quit. Scheduled for March 13, 2024, this campaign aims to highlight the health risks associated with smoking, including lung cancer, heart disease, and respiratory issues. By educating the public on these dangers and providing resources for quitting, the campaign seeks to promote a healthier, smoke-free lifestyle. This year's theme, "Protecting Children from Tobacco Industry Interference," focuses on advocacy to end the targeting of young people with harmful tobacco products. World No Tobacco Day 2024 will be a platform for young people around the world to call on governments to protect them from predatory tobacco marketing tactics. These industries intentionally design products and use marketing strategies that appeal directly to children. Children's flavours combined with attractive and colourful designs are a clear attempt to get young people hooked on these harmful products.

### About the Programme:

The theme for this year's No Smoking Day campaign is "Breath of Fresh Air". This theme underscores the importance of quitting smoking for one's health and well-being. It symbolizes the new, healthier life that comes with kicking the habit, free from the toxins and health risks associated with smoking. The campaign will focus on the benefits of a smoke-free life, both for individuals and for society as a whole, emphasizing the positive changes and improvements in quality of life that come with quitting smoking. Smoking causes various diseases and nearly harms every organ in the body. It also harms the health of smokers in general. According to the CDC, more than 16 million Americans are living with diseases caused by smoking.

Each year, more women die from lung cancer than from breast cancer. Smoking also causes around 80% of deaths (or 8 out of 10) due to chronic obstructive pulmonary disease (COPD). Therefore, cigarette smoking increases the risk of death in both men and women.

## Awareness Campaign on World Water Day (22-03-2024)

Programme Co-Ordinator: Mrs. S. Siva Jyothi, N.S.S Unit-1 Programme Officer.

### Theme of the Programme:

World Water Day, celebrated annually on March 22nd, is a United Nations observance day that highlights the importance of freshwater and advocates for the sustainable management of freshwater resources. This day aims to raise awareness about the global water crisis and the urgent need for action to address water-related challenges. The campaign focuses on inspiring people to take action in their own lives to change how they use, consume, and manage water. It brings attention to issues such as water scarcity, water pollution, and inadequate water infrastructure, emphasizing the critical role that water plays in sustaining life and supporting development.

### About the Programme:

The theme for World Water Day 2024 is "Accelerating Change." This theme emphasizes the necessity of rapid and coordinated efforts to address the global water crisis. It underscores the urgent need for collective action at all levels—local, national, and international—to ensure access to clean and safe water for all. The focus is on implementing innovative solutions, adopting sustainable water management practices, and strengthening water governance. By accelerating change, we can enhance water security, improve water quality, and build resilient communities that can withstand the impacts of climate change and other environmental pressures.
